FOR IMMEDIATE RELEASE

#### HOLIDAY GIFTS FOR 2008 FOR SENIORS OF BERGEN COUNTY

We had the opportunity to once again bring a smile to our seniors this holiday season.

The Cheer Program of Visiting Homemakers of Bergen County partnered up with Hunter Douglas and the Volunteer Center of Bergen County this Christmas 2008. They had a successful program delivering gifts to senior citizens in Bergen County. Gifts were donated from different locations throughout the area and given to many of our clients.

The Cheer Program of Visiting Homemakers provides both workers and volunteers for seniors of Bergen County. The aides help out with shopping, laundry and light cleaning. The joy that this service offers our seniors is seen through their smiles. "I appreciate your thinking of me and it only shows if your good, Santa visits you..." said Gladys P.

This event is held annually through our Cheer Program. If interested, call Michele at 201 488 0041- ext 15. Pictures available upon request.
